

MEGA GARAGE SALE

The Suburban, May 30, 2012

Côte St. Luc also announced that its annual Mega Garage Sale will take place “rain or shine on Sunday, June 3 from 10 a.m. to 3 p.m. at the Confederation Annex of Pierre Elliott Trudeau Park, 6985 Mackle Rd. “This community garage sale is an ideal way for residents who don't have a garage to sell items they no longer need,” Mayor Anthony Housefather says. “We'd rather perfectly good items find a new use with someone else than be tossed in the garbage.” According to the city advisory, “there will be 60 tables set up under the roof of the Confederation Annex. Prepared food will be available on site. Again this year, Côte St. Luc will be accepting old bikes on behalf of SOS Vélo, a non-profit organization that helps disadvantaged adults learn job skills. SOS Vélo takes used bikes and builds new ones, using about 70 percent recycled parts. The event co-chairpersons are Councillor Dida Berku and Councillor Steven Erdelyi.”
